in-lite

Innovative Ideas

In Lite is a brand owned by Universal Trading Co. Universal Trading Company was established in 1948. Over the years, Universal Trading Company has obtained vast technical experience in industrial, domestic and commercial electric and lighting segments and has gained expertise in lighting designs.

In Lite has positioned itself as a brand which stands for products of high quality, competitive rates and superior after sales service.

With more than 500 product variations across five types of light sources, we have one of the most extensive ranges available in the market.
